

Dover (Deal & Sandwich) Extended Schools (DES)

We are participating in the Dover Extended Services (DES) project with other Primary and Secondary Schools within the Dover, Deal and Sandwich Area. In July 2008 we were recognised as an extended school with emerged status for our collaborative work undertaken in 2007 - 2008. The Extended Schools project aims to support the development of the core offer of extended services that all children will be able to access by 2010. Schools meet regularly with their local consortium (for WSC this is the Deal Consortium) and other extended service providers such as Vista Leisure, Kent Adult Education, Kent Youth Service and KCC, to deliver an accredited extended service provision.

A wide range of Events, Activities and Clubs are organised through DES, which are available to Students, Families and the General Public. At the moment these are promoted through the individual schools (contact them or visit their web sites to find out more) but they are also promoted through flyers, local press and publications. Check out what is on at WSC on our Community Page.
