AdmOff/Trips/07-08/Ski2009

June 2008

Dear Parent / Carer

I am currently organising the 2009 ski trip for Walmer Science College and can confirm that the trip will be with Great Travel between Friday 3rd April and Saturday 11th April 2009.

For the last three years we have had successful trips run in February to the Ski Weft area of Austria. However, the whole of Europe, including Great Britain is on holiday at this time next year so I have arranged to visit a snow sure venue, Krvavec in Slovenia, which will be less crowded, a similar cost (against the rising Euro) and benefit students / teachers alike from a week's rest before returning to school. The trip will be limited to 44 places and therefore will be on a first come, first served basis

Ski trip basics

- Full board accommodation
- 6 x 4 hour ski instruction with English speaking instructors
- Travel insurance
- Ski and boot hire
- Coach travel to and from destination
- 1:8 or less adult supervision
- Evening entertainment (some at extra cost) such as bowling, tobogganing, pizza night and sleigh rides

Dry slope lessons are available at reasonable rates during November and December. Lessons are essential for those students who have not skied before to take full advantage of the main trip.

This trip will cost £635 based on this year's prices. A first deposit of £100 (non refundable) is required. The travel company will require a further £100 by the end of July and another in September 2008. The balance will need to be paid by December.

Yours sincerely

J K Thompson
Ski trip co-ordinator

N C Mannering
Ski trip co-ordinator

Please return to Mr Mannering / Mr Thompson

- I would like my child / ward _____ Tutor Group _____ to go on the Ski Trip 2009.
- I enclose a non-refundable deposit of £100.
